Down-to-earth talent and easy-to-implement design style describes Laurie Ann McMillin Ray. After years of guiding a variety of clients through an assortment of decorating adventures, she shares her insider's knowledge and inspiration cultivated along the route. The book gives insight into the art of the easy room makeover by combining color, fabric, and wallpaper with quality furnishings and flea market finds, and teaches how to transform a space from mediocre to wow with just a few small changes (illustrated in more than two hundred color photographs).
